## Donation Appeal

Dear Brothers and Sisters in Jesus Christ,

Thank you for taking a few moments to read this. The Bible tells us that *The Mark of the Beast* is coming, yet many believers do not realize how close we are to the events described in Revelation. The days we are living in call for discernment, prayer, preparation, and action.

My name is Oscar, and I'm one of the Co-Founders and the Executive Director of the TENTH CHARITY. I'm reaching out because the work ahead of us is significant. I ask only that you pray about this letter and support us if you feel led by the Holy Spirit.

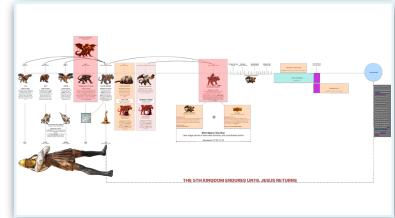

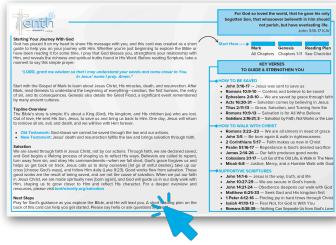

### Who We Are

TENTH CHARITY is a faith-based 501(c)(3) Christian nonprofit. Our guiding Scripture comes from Leviticus 27:32: "The tenth shall be holy unto the LORD." This verse reminds us daily that everything we do must honor God and be handled with care, integrity, and humility. We are committed to honoring Christ, stewarding resources faithfully, and serving in obedience especially in these last days.

"The tenth shall be holy unto the LORD."  
Leviticus 27:32

### What We Do

Our work centers on sharing the Gospel and helping believers grow in biblical understanding so they can discern the times we are living in through Scripture. We believe *time is short*, and God is calling His people to greater faithfulness, obedience, and spiritual awareness. While our ministry continues to grow and take shape, the following are example areas where we believe God is directing our focus:

### Gospel Outreach

We share the Gospel through direct ministry, Bible tracts, and the distribution of Bibles.

These simple, faithful tools open the door to meaningful conversations about repentance, faith, and following Christ.

### Bible Prophecy & The Mark

God has placed it on my heart to teach the foundations of Bible prophecy, especially regarding the Mark of the Beast.

Through Scripture-centered teaching and media, our goal is to awaken believers to the days ahead.

### Resources & Education

We are developing Scripture-based resources that help believers study, visualize, and understand biblical truth.

These tools are designed to support learning, discipleship, and deeper engagement with God's Word.

### The Road Ahead Will Not Be Easy

Jesus warned us in Luke 6:26 that speaking truth would not make us popular. Scripture describes this current period as the Laodicean church age, a lukewarm time where many choose comfort over conviction. Faithfulness in these times will require that we go against the grain and stand firm, even when the path is difficult.

We understand that not all are called to this work. We ask only that our supporters respond as the LORD leads you, whether through prayer, encouragement, or financial giving.

### A Personal Word

I feel the LORD calling us to move with greater boldness in the days ahead, and He has made me recognize that time is truly short. Scripture reminds us in Revelation that deception will increase in the last days, so God's people must move with discernment, faith, and obedience to navigate the challenges ahead. ***At the heart of our work is a deep desire to see the Body of Christ spiritually awake, anchored in truth, and prepared for what lies ahead.***

We are walking forward in faith, trusting that the LORD will sustain the work He has placed before us. This path will not be easy, but we trust that the LORD is ordering our steps.

Warmest Regards,  
~Oscar
